INSPECTION REPORT.

I. The audited statements of receipts and payments for the year 1954-55 are herewith attached. They are forwarded to the Government of India for publication in the Gazette as required under Rule 22(4) of the Indian Coconut Committee Act, 1944 and the Rules and Regulations thereunder.

II. Cess collections.—As against the demand of Rs. 10,94,389-0-8 for the year under report, only a sum of Rs. 6,82,366-12-2 was realised till the end of 3/55. Although a sum of Rs. 2,87,486-1-4 has since been realised in the current year, a sum of Rs. 1,24,536-3-2 remains yet to be collected of which Rs. 1,15,850-6-4 relates to the Travancore-Cochin State. The collection of cess should not be allowed to fall into arrears. Prompt steps may therefore be taken in the matter and the results intimated to audit.

III. The printing of the monthly bulletins in English, Malayalam and Kannada is now being done by a private Press at rates a reed to by them in 1953. It has not been considered by the Committee whether the rates quoted by the Press in question continue to be competitive and whether quotations should not be invited to ensure that the rates are still economic. The Secretary has stated that the Press which they have engaged executes its work satisfactorily and that the rates are reasonable when compared with the rates of the Government Press, Ernakulam, for similar items of work. Invitation of tenders may be arranged for to ensure that the rates at which the work is got done continue to be economical and competitive.

Stationery articles like copying pencils, twine balls, typewriter paper, sealing wax, tags, short-hand pencils, gums, etc., are locally purchased although they are available with the Controller of Stationery. The Secretary has stated that local purchase is resorted to as considerable delay was experienced in obtaining the supplies from the Stationery Stores. The Secretary has promised to reduce the local purchases in future.
